UNITED STATES DISTRICT COURT
FOR THE
DISTRICT OF MASSACHUSETTS

CRIMINAL NO. 04-10112-RGS

UNITED STATES OF AMERICA

v.

JUSTIN TEAL

DEFENDANT'S MOTION FOR A PRE-PLEA PRESENTENCE REPORT

Now comes the defendant and respectfully requests that this Court order the United States Probation Office to prepare a pre-plea PSR.

As reasons therefore, the defendant states that he is desirous of entering a change of plea. It is anticipated that the change of plea will be pursuant to a written plea agreement. The defendant believes that a pre-plea presentence report would be useful in deciding to accept a plea agreement, and that it may also expedite the imposition of a sentence, in a case such as this one, where the defendant has indicted his desire to plead guilty.

Respectfully submitted,
Defendant, Justin Teal,
